## Wisdom for the Week ....

Tell me and I'll forget; show me and I may remember; involve me and I'll understand.

## One liners ....

- Where there's a will, I want to be in it.
- Women will never be equal to men until they can walk down the street with a bald head and a beer gut, and still think they are sexy.
- To be sure of hitting the target, shoot first and call whatever you hit the target.
- Going to church doesn't make you a Christian, any more than standing in a garage makes you a car.
- I'm supposed to respect my elders, but it's getting harder and harder for me to find someone older than me.

## From the Rotary Club of Geelong East:

We are thrilled to invite you to mark the **UN Women 16 Days of Activism Against Gender-Based Violence** (25th November - 10th December) with a screening of the film **Shayda** on the 30th of November 2023 with a special Q and A session afterwards with both the writer/director AND the subject of the film.

**Shayda** is a 2023 Australian drama film written, directed, and co-produced by Noora Niasari. Inspired by Niasari's childhood experiences, the story follows an Iranian immigrant woman in Australia who is raising her young daughter as the two live in a women's shelter, while also attempting to divorce her abusive husband.

This captivating film is the official submission in Australia for the 'Best International Feature Film' category of the 96th Academy Awards and had its world premiere at the Sundance Film Festival in January 2023 where it won the audience award and the grand jury prize. It also won the Cinefest OZ film prize in WA which is the largest cash film prize in Australia. You can watch the trailer [here](#).

A portion of the ticket sales from this event will go toward the Barwon Health Social Work Department's work in the family violence space. There are limited tickets available so we recommend getting in quick!

**Ocean Grove Rotary Club Junior Community Awards.**

Judy Greer explained that this project was commenced in Bairnsdale and introduced by a previous member, Graham Bath to RIOG. Primary School students in year 6 undertake to complete the program over 10 weeks. The areas of activity and investigation include Community, Physical, Skills and Social/Cultural aspects.

Tony Haines and Judy Greer then introduced the 12 students who were selected from the four participating primary schools to present one or two aspects of their work. The presentations were brief and it was obvious from the enthusiasm shown that they all enjoyed the experience and gained a better understanding of the areas they worked in.

Some of the areas covered included: Baking, cooking, fishing, art gallery visits, oz kick, basketball coaching, Anzac Day services, personal citizenship ceremony, pet sitting, babysitting, umpiring, tree planting, rubbish collection, dance, time with family who are immigrants, acting and attending meetings.

All students thanked Rotary for providing the opportunity for them to participate in the program.

Judy thanked Jenny Wright, Lyndy Stagg, Meredith O'Neill and Paul Brewster for their assistance throughout the year.

The parents and teachers were also thanked for their assistance in completing the awards.

Geoff Chandler thanked all those people who made this program such a success and stated that once again the standard of work and areas of interest demonstrated by the students continues to show what a worthwhile exercise this project is.

"And do you, mother of the groom, accept Rebecca to be your lawfully wedded daughter-in-law, to keep your comments of her kitchen decor to yourself, to hold back critiquing how she raises your grandchildren, and to quit carrying a silent, festering grudge against her, till death do you part?"
