Saying of the week

Most people spend more time planning a one-week vacation than they spend planning their life.

Humour

This morning, I was beaten up by a busty woman in an elevator. I was staring at her boobs when she said, "would you please press one?" So I did. I don't remember much after that.

A cheque for \$1500.00 was presented to the Art Show Committee by Jasmine and Kim on behalf of Lifestyle Communities. They also extended an invitation to attend a visit of inspection on Tuesday next at 3.00pm. Meet at the Community Centre in Gambier Street. Wine and cheese will be served.

John also recognised the sponsors of the prize winner funds and thanked them for their support. This was followed by a Quiz where our knowledge of various aspects of the Art World was tested. There were some very mysterious clues and surprising answers but one table received a chocolate hit by guessing 20 correct answers. Good fun was had by all and Rod Bush was thanked for his creative powers.
