Rotary brings together people like you - from all walks of life - who want to use their expertise for good.

People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good and form lifelong friendships in the process.

Together, we empower youth, improve health, promote peace and advance communities in all corners of the globe. With 1.2 million members in over 34,000 clubs worldwide, our global community's impact has never been greater - and it continues to grow.

Make a difference

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends.

People join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie. But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and in the world.

About Us

Our club gives you an opportunity to join, lead and to take action on important issues affecting our community, out nation and the world.

We also have a lot of fun - while we're socialising or working together on service products.

Members of our club connect at weekly meetings to learn from business experts, political and civic leaders and entrepreneurs, who help us stay informed on topics that are relevant to our community.

Together we make great things happen. We have a structure that focuses on action and positive results.
