- Bill Walton is in hospital with a respiratory condition (no, NOT COVID 19 !) We wish him a speedy recovery.

- Spare a thought for Lynne Carlson and Hello World in Waurm Ponds ! This isn't a fun time to be in the travel industry !

- and also for Rod & Judy G. Their 2 week trip to New Zealand would have required them to spend 2 weeks in isolation in NZ and then the same when they returned home ! Needless to say, the didn't go, but are enjoying their time on home turf.

- The Vocational committee spent Monday night together and completed a ring around to all involved in the postponed Community awards function. Congratulations to them all for their work in the lead and for the professional manner in which the postponed event was dealt with.

**Members:** Coming Events -  
not sure !

### Saying of the week ....

---

“What you’re supposed to do when  
you don’t like a thing is change it. If  
you can’t change it, change the way  
you think about it. Don’t complain.”

---

### Humour ....

I got a really cute dog and called him  
Three-miles. It sounds great to say I  
walk Three-miles twice a day.
