BELIEVE IN WHAT YOU DO

DO WHAT YOU BELIEVE IN

1993-94 Presidential Citation for Balanced Club Achievement

Presented to

Ocean Grove

in recognition of significant club participation in hands on service in the 1993-94 Presidential Citation program, demonstrating the spirit of Rotary through exemplary service and fellowship activities

Robert R. Barth
RI President, 1993-94

District Governor

BELIEVE IN WHAT YOU DO

DO WHAT YOU BELIEVE IN

PRESIDENT'S REPORT

Our Rotary Club has certainly lived up to the Rotary motto for this year; "BELIEVE IN WHAT YOU DO -DO WHAT YOU BELIEVE IN"; when consideration is given to the achievements of club members in the various projects and activities undertaken during this period. These achievements have been made possible by the great fellowship and spirit of co-operation shown by all Rotarians with the guidance of all Board Members, Directors and Chairmen to whom I give my heartfelt thanks.

As Club President I was very proud to receive on behalf of our Club the 1993-94 Presidential Citation for balanced club achievement from the District Governor Dennis Wilson at our meeting of 10th May. Dennis advised that the citation was only awarded to eight clubs in our District this year.

At the risk of duplicating some of the information contained in the various Directors' and Chairmen's reports enclosed, I would like to briefly mention some of the major events of our Club during the year.

Thanks to the efforts and hard work of Ron Todd and his committee during the previous year, the Rotary waterfall was unveiled at the Ocean Grove Surfside Community Centre on July 6th.

The sad passing of our club secretary and friend, Ken Thibou on 13th August was a loss felt by all Rotarians. I particularly appreciated Ken's guidance and help to me during those first few weeks of assuming presidential duties. His wide Rotary experience and good humour were invaluable.

My sincere thanks go to Bob Osbourne, who stepped into the position of secretary after the passing of Ken. This has been Bob's third successive year as secretary and his advice and friendship has been appreciated.

The hosting this year of Signe Frank, our international exchange student from Copenhagen, Denmark, has been a joyful experience for our Club. Signe has assisted at the Club working bees and attended Club social functions and meetings with obvious enjoyment. Signe is a credit to her family and country. Thanks to the Chandler, Haines,

Brentnall, Webb and Calnin families for their hosting of Signe.

Our Sunday market season was again a success this year; being our major fund raiser. Ten markets were held thanks to the efforts of John Clark, Colin Brown and all Rotarians involved.

Another substantial fund raiser was our car raffle prior to Christmas. I thank those Rotarians who helped me to raise $2163.00 by selling tickets.

The plant shadehouse for the Bellarine Secondary College, Ocean Grove was finally built and opened recently. Our club contributed approximately $900.00 to this project.

The recent formation of the seventh Probus Club in this area by our Rotary Club is a very worthy achievement. After ascertaining the need for another Club, Graham Bath and his committee attended to the administrative work involved and the Ladies Probus Club of Barwon Heads/Ocean Grove was formed on 20th April. Graham's ongoing communication with our matched German club, Salzgitter-Wolfenbuttel and his hosting of Heinz and Sigrid Tonn during their visit in November is also much appreciated. Thanks to Graham and others involved in both these projects.

My thanks to Hans Franken who voluntarily stood in as acting Community Service Director during the absence overseas for several months of Gerry Spencer.

Other ongoing projects that were successfully carried out again this year are listed, together with the name of the Director or Chairman involved in the organisation of same and I thank them all for their efforts, together with all who assisted.

BOWELSCAN PROGRAMME.....Jim MacDonald
RED CROSS CALLING.....John Dodgshun
SIEMENS SCIENCE SUMMER SCHOOL.... Frank Mountford & Henry Hudson
OCEAN GROVE FESTIVAL.....Hans Franken
COMBINED ROTARY CLUBS OF GEELONG CHRISTMAS PARTY FOR DISADVANTAGED FAMILIES..... Gerry Spencer

MOCK JOB INTERVIEWS WITH STUDENTS FROM BELLARINE SECONDARY COLLEGE..... John Calnin

Unfortunately our Club lost seven members during the first couple of months of this Rotary year. During the last six months five new members were inducted with the strong possibility of gaining two more prior to changeover at the end of June. This recent increase in member numbers is a very creditable effort on the part of Henry Hudson and the Membership Committee.

At our Club partners night function of 15th March our Club awarded a Paul Harris Fellowship to charter member Dennis Wootten. His long and dedicated service to the Club at work projects, club meetings and the Polio Plus programme, as well as youth organisations outside of Rotary, well qualified Dennis as a recipient of this high Rotary award this year.

On the social scene our Club has had a series of partners nights which have been very successful fellowship functions. These include; change over night, visit of District Governor Dennis Wilson with wife Kathleen, visit from Germany of Heinz and Sigrid Tonn, our Club's 10th anniversary/Christmas function and the welcome night for Signe's parents from Denmark.

Our Club's 10th anniversary function was a great fellowship occasion. The attendance of D.G. Dennis and Kathleen, President Ivan Stasinowsky and wife Erica and members of Drysdale Rotary (our chartering Club), together with many past charter members of our Club ensured a memorable night. Thanks to Wal Kelly and all members who helped organise and actively participated in the above functions.

A perusal of the Treasurer's report will indicate that substantial contributions from club funds have been directed to worthwhile and needy causes in our own community and internationally. These include $1800 to Rotary Foundation, $1550 to the combined churches of Ocean Grove emergency food fund, $700 to Victorian flood appeal and $1100.00 to Ocean Grove Surf Life Saving Club.

Club meetings have progressed smoothly throughout the year and I would like to fully endorse the comments made by Geoff Chandler in his Club Service Report regarding the contribution of all involved.

The club had nominated Past President Henry Hudson for District Governor of District 9780. I congratulate Henry on being accepted by Rotary to be our District Governor for 1995-96. I am sure that the Club will rise to the occasion and perform all the duties required in support of Henry and Isobel, including the organisation and running of our district conference that year.

In conclusion I would take this opportunity to thank my wife Noeline for her help and support throughout the year and I am sure that in the same spirit of goodwill and co-operation shown to us by all Rotarians and their partners, Geoff and Jan will also have a satisfying and rewarding year in 1994-95.

I wish Geoff and Jan all the best for their year.

Eric Bare
PRESIDENT.

CLUB SERVICE COMMITTEE 1993/94

The smooth running of the Club depends on the work of Club Service committee chairmen and their members. This year all members have played their parts in performing their duties conscientiously and well.

We have enjoyed a very high standard of speakers at our meetings. Barry Reid has done an outstanding job in arranging a wide variety of excellent speakers and in ensuring that the programs were well organised. The range and variety of programs has provided interest for everyone. Our thanks to Barry.

The Sergeant-at-Arms position is never an easy one and Alex Magee has undertaken the task with enthusiasm. His good humour has kept us entertained and his ability to accept the good natured banter from the floor has contributed to successful Sergeant sessions. Well done Alex.

Our Club Bulletin has maintained a high standard ensuring that all members are kept informed of past happenings and future plans. John Webb has undertaken this exacting task and the club owes him a special thanks.

Our thanks to the Attendance Officers who have staffed the attendance table and greeted us each night with a cheery welcome. Special thanks to Graham Bath, Ken Parker and Dennis Wootten and of course all members who take their turn as assistant.

All club members have played their part in carrying out their duties on the rosters and in willingly filling in for absent members as the need arose.

In conclusion and on behalf of all club members I would like to thank David, Libby and all Hotel staff for their help and co-operation throughout the year. Sharon looks after us so well on meeting nights catering for our little likes and dislikes without a fuss. We are very fortunate to have such co-operative management and staff as our hosts.

Geoff Chandler
CLUB SERVICE DIRECTOR.

COMMUNITY SERVICE COMMITTEE 1993/94

DIRECTOR: Gerry Spencer
MEMBERS: Hans Franken, John Wynn, John Turner, Alex Macgee, Trevor McArdle, Ron Todd, Geoff Brentnall, Jim McDonald.

The committee was involved in many community activities and particularly in 'hands on' projects.

1. Market
The market is now well established at Kingston Park and is well supported by members. However, due to the ever increasing number of competitors on the 'Craft Market' scene its long term future needs to be assessed, particularly as it is our No.1 revenue contributor.
A separate report by the chairman of the sub-committee follows this report.

2. Red Cross Calling
Carried out in March. Our collectors increased their collections by 20% and contributed $2060 to the area total of $5620.

3. Bowell Scan
Completed in May with the help of our Probus Clubs. Thanks to Jim MacDonald, our new co-ordinator, for his contribution and those members who help in assessing results of the tests.

4. Ocean Grove Festival
Special thanks to Hans Franken for representing the Club on the committee and organising the Festival and our significant contribution so effectively.

5. Cottage by the Sea
Great fellowship was experience by members who helped paint the tram. The 'Golden Oldies' painters applied the finishing touches!
Further direct involvement with the 'Cottage' is envisaged in the coming year.

6. Walking Tracks etc.
Work was carried out on the extension to the Grubb Road track and cleaning up the Wallington Road entrance to the Grove.

7. Look-Out

Regrettably this project has become bogged down in the bureaucratic jungle of local government, in spite of the fact that $5,000 is available for the project. Hopefully, something will develop in the coming year.

8. Combined Clubs Christmas Party

The club again took part in running this party for 2500 under privileged children at Deakin University in December. A very worthwhile day and worthy of our continued support.

General

The Club together with Drysdale and Geelong East Clubs contributed $900 each towards the purchase of a lifting device for a cerebral palsy sufferer in Queenscliff. The device was given to the Health Centre for 'loan' to the patient. An excellent example of fast co-operation between Clubs.

Further contributions were made to the Combined Churches Christmas Hamper, Cottage by the Sea and other worthy causes.

I wish to thank the members of my committee for their support and hard work in achieving the results indicated throughout the year.

Gerry Spencer.
DIRECTOR.

Market Report

This season's Rotary Market has been successful with an average of eighty stall holders. Most Sundays we had fine weather, pleasing crowds and stall holders who were happy with the venue.

Having sold our food van, the site has been leased to a privately owned food van. This has been successful.

At our last market all permanent stall holders were asked if they would be requiring sites for the 1994-95 season. All indicated that they would be pleased to re-book sites.

Many thanks to all Rotary members for their time and help given; making the market pleasant and successful.

John Clark
Market Committee Chairman

INTERNATIONAL SERVICE COMMITTEE1993/94

DIRECTOR: Ian Walker
COMMITTEE: Henry Hudson, Paul Fargher, Bill Steains, Graham Bath, Tony Haines, Peter Robinson, Geoff Chandler, Maurice Barwick.

This has been an interesting year in International activities. Some old projects have been continued and some very worth while projects were commenced.

IPAC.

For the third year we continued to sponsor the education of three orphaned children in Indonesia. We also supported an Anti Drug program in the Philippines by providing three teacher kits. Also sleeping kits for children around the world were purchased. The kit provided a sleeping bag, blanket and pillow to homeless children in all parts of the world.

INTERNATIONAL YOUTH EXCHANGE

Signe Frank arrived in July from Denmark to spend the next 12 months with our Club. Signe soon proved to be an excellent exchange student both at school and with members of this Club. By the time she leaves us she will have seen more of Australia than most of us who have lived here all our lives. There was even a special night when Signe's parents attended one of our meetings. She will be sadly missed when she leaves. A very special thank you must go to Geoff Chandler who did a fantastic job as Signe'c counsellor.

During the year this Club selected a student to go overseas next year. We received five applications and selected Justin Gregory to be our nomination to the District Committee. Unfortunately Justin was not successful at District level so we will not have a student overseas next year.

MATCHED CLUB

Graham Bath continued corresponding with Heinz Tonn from the Rotary Club of Salzgitter Wolfenbuttel in Germany. Heinz and his wife visited our Club and gave a talk on the unification of Germany. Many thanks must go to Graham for all his work in this area.

ROTARY FOUNDATION AMBASSADORIAL SCHOLAR

Brenda Harkness returned from her 12 months stay in America. Brenda studied criminal justice at the Michigan State University. Brenda gave a very interesting talk to the Club on her return and we all wish her well for the future.

INDIAN EARTHQUAKE

This committee was also responsible for a donation of $200.00 to the Indian Earthquake appeal. Many Rotarians and their families were killed or left homeless by this avent.

Many thanks must go to all on the committee for a worthwhile year in International service.

Ian Walker
DIRECTOR.

VOCATIONAL SERVICE COMMITTEE 1993/94

DIRECTOR: John Calnin
MEMBERS: Alan Joyce, David Clayton, David Cooke, Phil Butters, Ken Parker, Coral Barker, James Turnbull.

1994 has seen some new initiatives and the launching of an abbreviated version of 'Operation Livewire'. Although the response was not as strong as hoped by the committee we believe it could be something that is worthwhile persevering with. Congratulations to Jason Franken on being the successful applicant and on his excellent presentation.

After the Christmas season a 'Job Industry Visit' night was held at the industrial estate of Ocean Grove. Many thanks to David Cooke and the Ocean Grove Bus Lines for their sponsorship of the night. It was a huge success with many Rotarians not realising the depth of industry in this area.

As in the past we have again been involved with the student interviews at Bellarine Secondary College and we thank those members who assisted with their time and office space.

Throughout the year all members have been required to give a two minute talk about themselves and this has proven very popular and extremely beneficial in getting to know your fellow Rotarian. This has been tried many times before but this year it has been successful and many thanks to our Bulletin Editor for assisting with the name of the volunteer each week.

There has been a couple of meetings arranged away from our usual venue and an extremely popular one was the visit to the Scotchman's Hill Winery. We all enjoyed the wine tasting and the hospitality of our hosts Brian and Vivien Brown. The early blemish on the night was the bus driver going the wrong way and he was told.

To wind off the year all members have been asked to attend other District Clubs on a make-up basis. This has a two fold effect:(1) You see how other Clubs conduct themselves, (2) You realise the fellowship gained by doing make-ups.

Many thanks to the Vocational Committee for their support this year and although we lost some members early through resignations their input was appreciated.

John Calnin
DIRECTOR.

YOUTH SERVICE COMMITTEE 1993/94

DIRECTOR: Frank Mountford
MEMBERS: Barry Reid, John Webb, John Flower, Bob Osbourne, Wal Kelly, John Dodgshun, Pam Werner.

I am pleased to report a year of achievement for our Club in giving service to the youth of our community. The following projects are evidence of this.

1. SIEMENS SCIENCE SCHOOL held at Deakin University in January was well supported by our Club, which sponsored three students. Our members played a leading role in organising and running the school with P.P.Henry Hudson as Director and P.P.Frank Mountford as Chairman of the District Committee.

2. CRA NATIONAL SCIENCE SUMMER SCHOOL We nominated a student for the 1994 Year 12 Science School but unfortunately she just missed out on selection. Applications for the 1995 School are currently being processed.

3. R.Y.P.E.N. Three local students were sponsored by our Club and they benefitted from the weekend seminar on "Life Skills" held at Ballarat in July 1993.

4. SHADEHOUSE Our Club donated materials up to the value of $1000 so that a shadehouse could be constructed at the Ocean Grove campus of the Bellarine Secondary College. President Eric handed over the keys to the completed shadehouse at a recent School assembly. This project is consistent with the aims of Rotary's "Preserve Planet Earth" campaign.

5. INDIVIDUAL CASES i. Computer software to the value of $1200 was provided to assist visually impaired student Heath McLachlan, a Year 6 student at Surfside Primary School.

ii. A donation was given to a local girl to help her participate in the Australian Primary Schools Netball Championships in N.S.W..

6. ROTARY ADVENTURE IN CITIZENSHIP A year 11 student, Robert Monk, from Bellarine Secondary College was sponsored by the Club to attend this worthwhile seminar in Canberra during May. Robert was delighted with the conference and this was reflected in his enthusiastic address to the Club.

7. JUNIOR BASKETBALL TEAM "The Rotary Legends" continue to perform well in the local basketball competition and do credit to their name and uniform provided by our Club.

8. ROY ROSE ROTARY AWARDS These annual citizenship awards are presented to students at the

junior and secondary campus of Bellarine Secondary College.They are given in memory of our former member, Roy Rose, who epitomised the Rotary Ideal of "Service above Self".

In conclusion I would like to thank my fellow members of the Youth Committee and all other Rotarians who have assisted us throughout the past Rotary Year.

Frank Mountford
DIRECTOR

MEMBERSHIP & CLASSIFICATION COMMITTEE

During the early part of this Rotary year six members resigned from the Club for a variety of reasons - transfer of employment (2), change of address (1), personal reasons (3), and one member died. Such a loss of 7 members from 43 impacts severely on a Club, hence it was essential to systematically examine the classifications available in the territory. There were 72.

Over nine months to June '94 members of the Club have put forward 39 names of which 22 have declined, 8 are undecided, 2 are in the process and 7 have been inducted. A success rate of about 20% to date, translates to a net recovery of more than 16% of membership - a very satisfactory result for the year.

Summary:	Members at 1st July 1993	43
	New members	7
	John Moore, Paul Fargher, James Turnbull, Coral Barker, Feicity Dales, Pamela Werner, Martin Geerings.	
	Resignations and death	7
	Members at 30th June 1994	43.

H. Hudson.
CHAIRMAN.
