Report of Meeting: 09/04/2019

President's Report:

President Graeme welcomed all members. There were no visitors. As there was no guest speaker, the program will consist of a 5 on me from new member Jim Delaney, Richard Grimmett has a movie to show and Gordon King has a quiz.

Chair: Adrian Schmidt

Reports:

Marian Walton: Marian was given tickets at the PETS program from the Youth Exchange Students' raffle involving a \$500 voucher from Hullo World, Waurm Ponds. \$1 per ticket and they will circulate during the meeting. Also, District Assembly will be on Sunday 28th April at Ararat. New members will find this a useful way of learning how Rotary functions. We need people to come so see Marian if you are interested.

Martin Geerings reported on a program to end Trachoma by 2020. They earn money by collecting and selling used stamps. If you have any, please give them to Martin.

John Patton asked that the BBQ raffle tickets be returned by the Easter Market at the latest

Gordon King advised that he had to forms available for the Foundation Centurion Program. Also, the **Rotary Leadership Institute Program** is open and again is a good way of learning about Rotary for new members. There are three sessions in August, October and February. They are held in Geelong and the Club will pay your fees. See Gordon for forms.

Members: Coming Events:

- Visit to Barwon Sports Academy. 23 Apr

Saying of the week

- Politics is the ability to foretell what is going to happen tomorrow, next week, next month and next year. And to have the ability afterwards to explain why it didn't happen.

Humour

- A man asks a farmer near a field, "Sorry sir, would you mind if I crossed your field instead of going around it? You see, I have to catch the 4:23 train." The farmer says, "Sure, go right ahead. And if my bull sees you, you'll even catch the 4:11 one."

Adrian Schmidt Market Report from last Sunday. There were 71 sites occupied. It was busy early in the morning and went well for most of the day. The voucher raffle raised \$182, Corn Toss \$51, Sausage Sizzle cleared over \$1,000, Site fees \$1,980 and the gold coin collection by Coast Care raised \$1,700.

Alex McGee, Footy Tipping \$50 entry is due if you have not yet paid. Gary O'Donnell won this week. Geoff Ford is current leader followed by Rod Bush both on 16 winners. Tippers are averaging 4 per week.

Peter Cullen, Footy Gates. The Geelong District Football League asked if we wanted to do the finals gates again this year. It was agreed.

Richard Grimmert Movie of Members erecting the Shelter Box Tent. The Professional erectors were both away; so several amateurs gathered and attempted to put it up. The process was videoed by Richard using time-lapse photography at one photo every half second. The whole process took 25 minutes. Fortunately, it was a silent movie. It is being considered for entry into next year's Comedy Festival!

Jim Delaney – Five on Me, New Member's Introduction. Jim was born in 1947 on a dairy farm outside Warrnambool, the first of three boys. His grandfather had established the farm and most of the family had worked on it. Jim went to school in Warrnambool and decided to become a teacher

rather than a farmer. He went to Teachers' College and the University of Melbourne. He met his wife, Mary who was from Geelong, at College. They had four children, three of whom are still single. His married son lives in Barwon Heads and has their only grandchild. They decided to move here to be nearer family.

Jim first worked as a teacher at a school in Coddington. He played football with Yambuk. There he learnt the importance of Community. After retiring from teaching, he became a consultant working on strategic planning and leadership. At this stage he joined the Rotary Club of Port Fairy, where he was a member for six years. As a result, he got to know people in the community and worked with 'Meals on Wheels'. He believes Rotary is important because of its presence in the community. The notion of service is part of the Rotary experience

Gordon King ran a quiz on Rotary. Overall, it showed we don't know as much about Rotary as we thought we did.

Puzzle

Two Scientists Walk Into A Bar. One Asks For H₂O
The Second Asks For H₂O, Too.
Which Scientist Dies?

Answer Next week: (if you haven't worked it out by then).
