Report of Meeting: 21/7/2020

Members in attendance 38. This is the 16th meeting- using Zoom.

Guest.: Lana Purcell, Speaker.

President: The Board meeting was mainly centered on the budgets requested by the committees. As there may not be many opportunities to fund raise this year committees will have to reconsider priorities for their projects. The funds held by the club are not great. There is approximately \$17,000 in the Charities account and \$11,000 in the Administration account. Some of these funds are already committed. It may be some time until we can have the summer markets, car raffle sales, footy finals gates again and perhaps the Art Show may not be held.

- There will be no further meetings at the Bowling Club at present. Other suitable venues are being considered.

- The Club by-laws will be circulated on the web site and voting will be on 18/8/2020.

Treasurer: There are still some subs outstanding, so make the treasurer's life better and please pay them, online if possible. Cheques are acceptable.

Vocational: Lyn Carlson outlined the procedure and dates for awarding the successful nominees for the vocational awards on 28/8/2020. Please see note from Pearl re times and venues.

Art Show: There will be a meeting on Monday via Zoom.

Guest Speaker: Lana Purcell. "Feed Me Bellarine"

Lana and her partner realized there was a need to provide some food for people who were finding difficulty in obtaining food on the Bellarine Peninsular. The organization was registered as a charity prior to the onset of Corona virus. The need to make meals for people has increased and the food, which is not required by businesses such as Woolworths, Bakers Delight and Oz Harvest, is made available without cost where needed. Twenty tonnes of food can be 'rescued' in one week. There are 26 registered volunteers with 20 working at one time. Support is given to all agencies and outreach programs on the Bellarine. 3500 meals and food boxes are distributed per week using 2 refrigerated trucks and vans.

Currently Lana and her team are working with schools to provide free breakfasts for children of families who have been affected by the virus. Freezers are installed in some Primary Schools to keep cold food and fruit as fresh as possible.

Feed Me Bellarine has had to increase storage capacity as Lana sees the need lasting for many months and maybe years. At present 3 or 4 more new families need this service every day.

Funding is difficult and donations by the Geelong Foundation and private citizens are very welcome. The funds given by OG Rotary have enabled heating in the workplace to be provided.

There is a warehouse in Smithton Street where food can be purchased, and if you have excess produce it would be very welcome.

Thank you: A George.

New Constitution and Rules; New ByLaws.
