Enjoy yourself. It's later than you think.  
Chinese proverb

### "Letter words" - with new definitions. *M*

**Man:** An animal whose chief occupation is extermination of other animals and his own species, which, however, multiplies with such insistent rapidity as to infest the whole habitable earth, and Canada.

**Man:** The only animal that can remain on friendly terms with the victims he intends to eat until he eats them.

**Man:** The only animal that blushes - or needs to.

## One liners ....

- It's just a bad day, not a bad life.
- I eat my tacos over a tortilla. That way when stuff falls out, BOOM, another taco.
- What do you call security outside a Samsung store> Guardians of the Galaxy.
- We can't help everyone, but everyone can help someone.

### Guest Speaker: Jan Johannson, Bali Smiles

Jan also works at Feed Me Bellarine. She recently visited Bali. Jan is sponsoring 27 children who are presently at school in years 8 to 12. They are apparently doing well, working hard, some with difficult circumstances. The schools are in various small villages. Transport appears very basic, often restricted to motorbikes. Families are very thankful for the support received. Their living conditions are basic, most parents work so their children can attend school. Most of the students hope to work in the hospitality industry.

In their villages there are no Government services, no roads, no rubbish collection and a regular supply of electricity is not readily available. Most students have to study by torchlight. Those children who complete year 12, can be given three years work in animal husbandry and gain an income which will provide good support for the future. Most jobs in Bali require completion of year 12.

Ocean Grove Rotary is sponsoring six children. It costs \$600 to support secondary students and \$300 for primary students.

I ASKED MY GRANDPA, "AFTER 65 YEARS, YOU STILL CALL GRANDMA DARLING, BEAUTIFUL, AND HONEY. WHAT'S THE SECRET?" HE SAID, "I FORGOT HER NAME 5 YEARS AGO AND I'M SCARED TO ASK HER."
